*Co. F, 424th Regiment  
106th Infantry Division*

My father Edward Frank Lopatkovich served in the 106th Infantry Division Company F 424th Infantry.

I'm looking for anyone that might have served with him or someone related to someone that served in that division.

My father's Military Record were destroyed in the fire at the NPRC in 1973. I would like to recreate his records.

I did manage to obtain his Discharge Papers from the County Court recorder in our home town.

Hoping to hear from someone. Berta Kay McCoy (Lopatkovich)
