Can You Help ??

Sir, my father's name was Luther Harper Ratliff.

At Ft. Jackson, he was in the 592nd FA BN, BTRY "C". He was a gunnery sergeant. I am trying to find some of his buddies that were overseas with him. Right now I do not know what company or platoon he was in, or just exactly what role the 592nd played in the Ardennes Campaign.

Any help would be appreciated. Again, Thank You.
Warmest Regards,

Ed Ratliff
