Mrs. June Hart of 908 Washington street, an employe of Combined maintenance at Camp Atterbury, was crowned "queen" Saturday night of the 2-day June carnival held at Atterbury's Service club No. 2.

Mrs. Hart was voted queen by the Attaboys from among four final contestants, Vivian Billman of Columbus, Frances Parker of Shelbyville and Mary Jane Jackson of Martinsville. The three "princesses" served as court of honor for the queen.

The queen, whose husband is a member of the 106th Division signal company, was crowned at ceremonies Saturday night by Sgt. P. J. McNulty, 106th Division Special Services section and master of ceremonies.

The carnival included two floor shows on both Saturday and Sunday nights, along with a midway of seven booths, Egyptian dancers and a hill-billy show staged in a tent adjacent to the service club.

Liberty Belles and Cadettes from Indianapolis, Columbus and Franklin supervised the booths, entertained and served as dancing partners. Girls from Edinburg also served as usherettes and guides. The 106th Division band played both nights.
