

## Edinburg USO Needs Helpers

EDINBURG, July 12.—More than nineteen workers are needed in the USO club. War mothers are wanted as volunteers and dads are welcome also to hand out cokes and play a game of ping pong.

There will be no more outside dances for some time. The 106th band will furnish the dance music next Saturday night. There will be a movie Sunday night.

If there are any available rooms to rent please list them with the USO.
