CAMP ATTERBURY, Ind., Aug. 21.—The "Camp Atterbury Sweetheart" Contest closed Saturday, with everyone waiting anxiously for the announcement of the lucky winner.

The judges will spend the weekend picking the winner from the large number of entries submitted. Then, Monday, we will know whose wife or sweetheart will spend the week of August 27th here, as the guest of the camp, with all expenses paid. The GI sending in the winning entry and the "sweetheart" will be notified immediately.

To serve as judges, two members of the faculty of the Herron Art Institute, Indianapolis, have accepted a hard job, in view of the many beautiful girls entered. Mr. David Rubins and Mr. Paul Wehr will have a pleasant, though difficult, task going through the pictures to determine the winner.

The picture of the winner will appear in next week's issue of the Camp Crier and the 106th Division Cub.
